Index to Volume 43

A

Abdominal aorta and iliac arteries, Tumor thrombosis of, 392
Abdomino-presacral resection for selected rectal lesions, 371
Accuracy of routine gall-bladder and bile-duct studies, 321
Achor, Richard W. P.: Brief survey of the cholesterol problem with clinical applications, 684
Acute necrosis of the right rectus abdominis muscle simulating acute appendicitis, 251
Adair, Frank: Applied anatomy for ptosis surgery, 836
Adenitis, mesenteric, So-called, 614
Adrenocortical function, Assessment of, 670
Advances in the science of communications as it relates to medical writing, 329
Aging, Remarks on, 482
Amatuzio, Donald S., and Grande, Francisco: The influence of ethanol on serum cholesterol concentration, 731
Amblyopia, 223
Anal ileostomy, Subtotal colectomy with, 219
Anatomy, Applied, for ptosis surgery, 836
Anatomy of sexual response, The human female, 31
Andersen, Murray N., Chardack, Wm., Kennedy, Paul, and Maurizi, Jerome: Diffuse pulmonary emphysema, 235
Anderson, Robert J.: Animal diseases transmissible to man, 151
Anderson, Robert J.: Viruses and the public's health, 647
Anesthetic agent, Demerol as an, used in 9,000 surgical cases, 22
Angiography, Intravenous: its place in a small, well-equipped, general hospital, 754
Animal-borne, Insect-borne and, virus diseases of man, 184
Animal diseases transmissible to man, 151
Anomalous biliary duct, 253
Aortic insufficiency, Direct surgery of, 583
Appendicitis, acute, Acute necrosis of the right rectus abdominis muscle simulating, 251
Applied anatomy for ptosis surgery, 836
Arey, Stuart Lane: Asthma in infancy and childhood, 169
Assessment of adrenocortical function, 670
Asthma in infancy and childhood, 169
Astronaut selection, Space medicine and, 797
Aughenbaugh, John W., and Ingalls, Edgar G.: Birth weight disparity, 182

American Medical Association

AMA report discloses status of medical education, 67
Report from Dallas—important actions taken by AMA House of Delegates, 68
Report on actions of the House of Delegates, 502

The Art of Medicine

AMA medical careers kits available, 876
Antidote for hidden hazards, 364
Clinical meeting film available, 297
County fair health exhibits are attention getters, 147
Doctor, you are also a citizen, 644
Effective PR, 363
Expose food fads through education, 581
Free public health education literature available, 148
Help for the alcoholic—a progress report, 147
"I am a doctor," 876
Image of a physician in a patient's mind's eye, 409
Importance of the public image versus reality, The, 795
Inflation hits cost of letter writing, 298
Introduce "How's Your Health?" to your newspaper editor, 297
Is the field also ripe unto harvest here?, 863
Leaflet outlines health insurance uses, abuses, 514
Medical education aids listed, 364
Minnesota medical careers recruitment activities listed, 876
Need for more doctors, 875
Physicians urged to use "MD", 582
Prescription for improving doctor-patient relationship, 64
Profile of an office angel, 63
Public Health Education Committee lends a hand, 64
"Rehabilitation adds life to years", 298
Six for the Sixties—make service your slogan, 214
Sixties, Decade of decision, The, 213
TV viewers see "What's in the doctor's bag", 297
Thirty-five death warrants for an association, 513
What is "best medical care"? 148
When your patients and the public ask, "What is the AMA and what does it do?" 729
Why the doctor is out, 363

B

Bailey, Alan H., and Polk, John W.: Surgical treatment of histoplasmosis, 665
Barber, Kent W., Jr., Dockerty, Malcolm B., Waugh, John M., and Hunter, James S., Jr.: Metastatic malignant melanoma involving both ovaries, 566
Bauer, Henry, and Pinke, K. Yvonne: Reiter protein complement fixation test in the diagnosis of syphilis, laboratory evaluation, 1
Beats, premature, Frequency of, in 715 healthy adult subjects, 751
Beliefs and misbeliefs in proctology, 310
Bell, E. T.: Clinical and pathological distinctions between chronic glomerulonephritis and malignant hypertension, 596
Berkwitz, Nathaniel J.: Clinical experience with librium in private practice, 463
Bile-duct and gall-bladder studies, Accuracy of routine, 321
Biliary duct, Anomalous, 253
Binder, G. H., Jr., and Lynch, Francis W.: Reiter protein complement fixation test, in the diagnosis of syphilis, clinical evaluation, 6
Birth weight disparity, 182
Bladder, urinary, Invasive hydatidiform mole in the, 466
Blindness, 556

Bonello, F. J., Wangensteen, O. H., Doberneck, R. C., Stone, N. H., McFee, A. S., Leonard, A. S., and Papermaster, A. A.: Hypnosis in surgical states, 529

Bone marrow aspiration, Diagnosis of Hodgkin's disease by, 380

Bourgeault, Stanley E.: A continuum of educational services for visually impaired children, 562

Brain injury complicating whiplash injuries, 473

Bridge, Allyn G., Davis, Eunice, and Rosenfield, A. B.: Public health aspects of the prematurely born infant, 116

Brief survey of the cholesterol problem with clinical applications, 684

Buckling and kinking of the carotid vessels in the neck, 678

Book Reviews

Buie, Louis A.: Practical proctology, (April) A-80

Burch, George E., and Winsor, Travis: A primer of electrocardiography, (August) A-52

C

Cancer, genitourinary, Detection of, 822

Cancer of the throat, 589

Cancer, The cytologic diagnosis of, 534

Cancer therapy, Skin, 156

Cancer, thyroid, The management of, 744

Carcinoma, mammary, Long-delayed metastasis in, 620

Carcinoma of the oral cavity, 90, 172

Carotid vessels in the neck, Buckling and kinking of the, 678

Carr, David T., and Hepper, Norman G. G.: Intrapleural use of nitrogen mustard in malignant pleural effusion, 374

Castaneda, A., Griffen, W. O., Jr., Salmon, P. A., Nicoloff, D., and Wangensteen, O. H.: Local gastric hypothermia in the treatment of massive upper gastrointestinal hemorrhage, 299

Cataract surgery, A chronology of, 190

Causes of juvenile delinquency, 82

Cecum, Diverticulitis of the, Case report, 833

Cell as a mirror of disease, The, 477

Cerebral infarction and fibrinolytic agents, 593

Chadbourn, Wayne A.: Diagnosis of Hodgkin's disease by bone marrow aspiration, 380

Chardack, Wm., Kennedy, Paul, Maurizi, Jerome, and Andersen, Murray N.: Diffuse pulmonary emphysema, 235

Chest, head and neck, Injuries to the eye and visual apparatus associated with injury to the, 314

Chloroquine (Aralen) phosphate, Relapses of porphyria induced by, Case report, 845

Cholesterol concentration, serum, The influence of ethanol on, 731

Cholesterol problem, Brief survey of the, with clinical applications, 684

Chronology of cataract surgery, A, 190

Clergyman, Juvenile delinquency and the, 87

Clinical and pathological distinctions between chronic glomerulonephritis and malignant hypertension, 596

Clinical experience with librium in private practice, 463

Colectomy, Subtotal, with anal ileostomy, 219

Communications, Advances in the science of, as it relates to medical writing, 329

Consideration of Reiter's syndrome and allied conditions, A, 736

Contamination of milk with penicillin, 306

Continuum of educational services for visually impaired children, A, 562

Continuing challenge of streptococcal infections and their complications, The, 39

Cooper, Robert R.: A chronology of cataract surgery, 190

Coronary anatomy for the practicing internist, 847

Correction of nasal deformities, 166

Cosmetics and related substances, Cutaneous reactions to, 215

Cowley, Leonard Philip: Juvenile delinquency and the clergyman, 87

Coxsackie disease—report of a syndrome due to Coxsackie virus group B, type 2, 655

Creevy, C. D.: Detection of genitourinary cancer, 822

Culligan, John A.: Buckling and kinking of the carotid vessels in the neck, 678
